AirOne AP-200 air purifier

Know your appliance

Model: AirOne AP-200. This fictional example belongs in the bedroom.

Everyday care

Switch off and unplug the appliance before routine cleaning. Wipe the exterior with a dry cloth. For any electrical fault, contact a qualified professional.

AirOne AP-200 air purifier

Replacement filter

The AirOne AP-200 uses the A200-HEPA replacement filter. Replace the A200-HEPA filter every 180 days under normal use. No other filter compatibility is specified in this manual.

Filter reminder reset

After fitting a new A200-HEPA filter and closing the cover, hold the filter button for 5 seconds to reset the reminder. This procedure applies only to the fictional AirOne AP-200.
